

Energy 1
HVAC DIVISION

HVAC Technician / Installer

Jackson, WY

E1 HVAC is hiring multiple full time, year-round positions, from entry level to Master HVAC Technician/ Installer to join our Jackson, WY team.

Energy 1 is a nationally recognized design, construction, and consulting firm specializing in turnkey energy solutions for high-end residential and commercial clients. We deliver engineering, contracting, operations, maintenance, and management services — all geared toward the creation of sustainable energy systems designed to ensure comfort, harmonize with their environments, and optimize cost efficiency.

As part of the E 1 HVAC team, you will help to install heating and cooling ducted systems for high-end custom residential and commercial clients.

Qualifications for Journeyman or Master Technicians:

- Current WY Journeyman or Master HVAC license.
- Must have tools of the trade.
- High-end custom residential experience preferred.

Benefits and Compensation:

We are an energetic and collaborative company, and we value people who work hard, are fun to work with, and have a positive impact on those around them. We offer outstanding benefits and compensation, including:

- Competitive wages
- Flexible schedule, working 4-10's with Friday's off
- Health Insurance
- Family-oriented environment
- Growth potential
- Paid Holidays (after 6 months)

To apply, send your resume or qualifications to hr@energy-1.net.
