

Plumbing & Heating Apprentice/Laborer

Jackson, WY

Energy 1 LLC is hiring a full time, year-round Plumbing & Heating Apprentice/Laborer.

Energy 1 is a nationally recognized design, construction, and consulting firm specializing in turnkey energy solutions for high-end residential and commercial clients. We deliver engineering, contracting, operations, maintenance, and management services -- all geared toward the creation of sustainable energy systems designed to ensure comfort, harmonize with their environments, and optimize cost efficiency.

As part of the Energy 1 team, you will help to help install geothermal, plumbing, and radiant systems for high-end custom residential and commercial clients.

Qualifications:

- Plumbing/Heating labor experience preferred.
- Must have tools of the trade.

Benefits and Compensation:

We are an energetic and collaborative company, and we value people who work hard, are fun to work with, and have a positive impact on those around them. We offer outstanding benefits and compensation, including:

- Competitive wages
- Flexible schedule, working 4-10's with Friday's off
- Health, Dental and Vision Insurance
- 401(k)
- Family-oriented environment
- Growth potential
- Paid professional training

To apply, send your resume or qualifications to personnel@energy-1.net with "Field Technician" in the subject line.
